Music supervision and sync licensing professional with hands-on experience sourcing music against creative briefs, clearing rights, managing cue sheets, and making the kind of music decisions that serve a story. Deep, cross-genre knowledge of music with a particular instinct for how sound shapes emotional experience in visual media. Background spans sync licensing coordination at a major music publisher, music supervision on documentary content, script breakdown and spotting, and graduate research into the business and legal infrastructure of music rights.

EXPERIENCE

Artificial Intelligence Research Fellow, *Handshake* (Remote) Dec 2025 - Present

- Evaluate audio, visual, and written media outputs against structured rubrics, maintaining consistent quality standards across high-volume content workflows.

Talent Management Intern, *Common Thread Entertainment* (Los Angeles, CA) Jan 2025 - May 2025

- Coordinated sourcing of corporate conference B-roll, ensuring compliance with usage rights and contributing to smooth content licensing workflows.
- Scouted 137 Hispanic and African American voice-over artists with a 70% acceptance rate, demonstrating ability to evaluate creative talent at volume and maintain accurate asset records.

Roots & Revelry Production Assistant, *Shades Collective Inc.* (Los Angeles, CA) Oct 2024 - May 2025

- Served as music supervisor across 10 episodes of a podcast produced alongside a documentary based in Ghana, making music decisions against tonal and creative briefs while coordinating clearance directly with international rights holders.
- Pitched and secured music selections across all 10 episodes, balancing creative instinct, rights alignment, and budget constraints simultaneously.
- Managed rights workflows between creative, legal, and budget stakeholders from pre-production through final delivery.

Synch & Licensing Intern, *Position Music* (Burbank, CA) Oct 2024 - Dec 2024

- Created and categorized 10-20 DISCO playlists against creative briefs and new releases, developing a practiced instinct for brief-response music selection under deadline pressure.
- Tagged Kings & Creatures catalog tracks with keywords and genre metadata to enhance trailer sync potential and discovery -- learning to think about a track's sync utility, not just its sonic quality.
- Verified metadata across 50-60 NBC Sports cue sheet entries per cycle, ensuring accuracy for royalty distribution, performance tracking, and PRO reporting.
- Cataloged 200+ TV, film, trailer, and advertising placements across production phases to support sync licensing strategy and trend analysis.

Sound Editor Intern, *Cinema Sounds & Secrets Podcast* (Remote) Jun 2024 - Sep 2024

- Managed podcast post-production workflows including audio editing and mixing, delivering 100% of episodes on time at broadcast-quality standards.

Podcast Producer, *Arts Management and Technology Laboratory, CMU* (Pittsburgh, PA) Sep 2023 - May 2024

- Managed end-to-end production pipeline for 16 episodes across two documentary-style series, coordinating pre-production through multi-platform distribution.
- Led solo production of a full episode with documentary filmmaker Roopa Gogineni, handling all production logistics from pre-production through final delivery.

MUSIC SUPERVISION WORK

Supervised edits, spotting notes, and script breakdown available at jhussie.github.io/Droga5MusicSupervisor

- Waiting to Exhale scene re-supervision: re-scored an existing cut with original music selection, serving emotional subtext over surface moment

- The Truth About Cats and Dogs: 30-minute supervised edit with full spotting notes documenting cue placement rationale, emotional function, and timing
- My Best Friend's Wedding: full script breakdown identifying every music reference, usage type, licensing cost estimate, and clearance strategy including public domain identification and blanket deal strategy
- Meridian (working title): brief-response playlist built against a sync creative brief, with per-track rationale and sync profile notes

EDUCATION

Master of Entertainment Industry Management, *Carnegie Mellon University, Heinz College* 2023-2025

Relevant Coursework: Music Supervision, Music Monetization, Intellectual Property, TV Business & Legal Affairs, Negotiation, Film Economics, Production Management, Music Technology, Multimedia, Fandom in Media, Script & Story Analysis, Entertainment Research, TV Economics, Branded Entertainment. **Capstone:** Remixing the Music Industry: Strategies for 21st Century Record Labels - led executive interviews with Position Music, Beatport, Rostrum Records, and more on sync licensing, catalog management, DSP strategy, and artist empowerment.
