Sync licensing and music catalog professional with hands-on DISCO experience in brief-response playlist curation, metadata tagging, sync deal tracking, and music rights coordination across TV, film, trailer, and advertising placements. Deep knowledge of iconic catalog music across R&B, soul, pop, rock, and global genres. Graduate training in intellectual property, music monetization, negotiation, and music supervision at Carnegie Mellon University.

EXPERIENCE

Artificial Intelligence Research Fellow, Handshake (Remote) Dec 2025 - Present

- Evaluate audio, visual, and written media outputs against structured QA rubrics, maintaining accuracy and documentation standards across high-volume content workflows.

Talent Management Intern, *Common Thread Entertainment* (Los Angeles, CA Remote) Jan 2025 - May 2025

- Scouted and cataloged 137 Hispanic and African American voice-over artists with a 70% acceptance rate, maintaining accurate asset records and managing stakeholder communications across 5+ simultaneous workflows.
- Coordinated B-roll sourcing with usage rights compliance; managed documentation across a distributed team under deadline pressure.

Roots & Revelry Production Assistant, *Shades Collective Inc.* (Los Angeles, CA Hybrid) Oct 2024 - May 2025

- Served as music supervisor across 10 episodes of a documentary podcast produced alongside a film based in Ghana, making creative music decisions against tonal briefs and coordinating clearance with international rights holders.
- Maintained audit-ready clearance documentation and managed rights workflows between creative, legal, and budget stakeholders through delivery.

Synch & Licensing Intern, *Position Music* (Burbank, CA) Oct 2024 - Dec 2024

- Verified metadata for 50-60 NBC Sports cue sheet entries per cycle, ensuring accuracy of rights data, PRO attribution, and usage information for royalty distribution and performance tracking across ASCAP, BMI, and SESAC reporting cycles
- Cataloged 200+ TV, film, trailer, and advertising placements in DISCO across full production lifecycles, maintaining audit-ready records to support sync licensing strategy, trend analysis, and catalog pitching
- Monitored and organized 10-15 quarterly ad sync placements through the full licensing lifecycle, maintaining accurate logs for licensing audits, internal reporting, and rights holder communications
- Built and categorized 10-20 DISCO playlists per quarter against creative briefs and new releases, optimizing catalog discoverability and streamlining music pitching across film, TV, trailer, and advertising use cases
- Tagged Kings & Creatures catalog tracks with genre metadata, mood keywords, tempo, and instrumentation markers to maximize trailer sync potential and improve catalog searchability within DISCO
- Tracked Position Music artist tour dates and performance locations to support public performance licensing coordination, sync outreach timing, and marketing alignment across DSP and social campaigns

Sound Editor Intern, *Cinema Sounds & Secrets Podcast* (Remote) Jun 2024 - Sep 2024

- Managed audio post-production pipeline delivering 100% of episodes on schedule at broadcast-quality standards.

Podcast Producer, *Arts Management and Technology Laboratory, CMU* (Pittsburgh, PA) Sep 2023 - May 2024

- Managed 16-episode production pipeline from pre-production through multi-platform distribution; drove unprompted process improvement restructuring content into two serialized series.
