Production coordinator and music operations professional with hands-on experience managing complex, multi-stakeholder workflows across international documentary, podcast, and sync licensing productions. Background spans cross-functional production coordination, music supervision, metadata and catalog management, and content pipeline management. Drawn to the intersection of music and storytelling, with a deep personal investment in how music shapes emotional experience in film.

EXPERIENCE

Artificial Intelligence Research Fellow, Handshake Dec 2025 - Present

- Evaluate audio, visual, and written media outputs against structured rubrics, maintaining consistent accuracy and documentation standards across high-volume content workflows.
- Complete certification training before each new task type, demonstrating fast ramp-up on new systems and evaluation frameworks.

Talent Management Intern, Common Thread Entertainment Jan 2025 - May 2025

- Scouted 137 Hispanic and African American voice-over artists, achieving a 70% acceptance rate and strengthening diverse casting pipelines for talent outreach and project diversity goals.
- Coordinated sourcing of corporate conference B-roll, ensuring compliance with usage rights and contributing to smooth content licensing workflows.
- Tracked and coordinated project pipelines across 5+ simultaneous workflows, managing documentation and communications across a distributed team.

Roots & Revelry Production Assistant, Shades Collective Inc. Oct 2024 - May 2025

- Oversaw music direction and clearance considerations as podcast music supervisor across 10 episodes, ensuring tone, rights alignment, and budget compatibility with international artist teams.
- Coordinated all production logistics for an international documentary podcast filmed on location in Ghana, managing schedules, asset workflows, and stakeholder communications.
- Secured tech and lifestyle sponsorships by designing custom outreach decks, personalizing communications, and building strategic brand partnerships at an executive level.
- Managed trailer production and audio post for Seed & Spark crowdfunding campaign, aligning creative execution with independent film financing goals.

Synch & Licensing Intern, Position Music Oct 2024 - Dec 2024

- Verified metadata for 50-60 NBC Sports cue sheet entries to ensure accuracy for royalty distribution, performance tracking, and PRO reporting.
- Cataloged 200+ TV, film, trailer, and advertising placements across production phases to support sync licensing strategy and trend analysis.
- Created and categorized 10-20 DISCO playlists aligned with briefs and new releases to streamline music pitching and metadata searchability.
- Tagged Kings & Creatures tracks with keywords and genre metadata to enhance trailer sync potential and discovery.

Podcast Producer, Arts Management and Technology Laboratory, CMU Sep 2023 - May 2024

- Managed end-to-end production pipeline for 16 episodes across two documentary-style series created in partnership with the Frank-Ratchye STUDIO for Creative Inquiry, coordinating pre-production through multi-platform distribution.
- Led solo production of a full episode with documentary filmmaker and community storyteller Roopa Gogineni, handling pre-production planning, interview coordination, audio post, and final delivery.
- Analyzed audience engagement data to refine episode structure and social media strategy, driving measurable increases in reach and listener retention.

EDUCATION

Master of Entertainment Industry Management, *Carnegie Mellon University, Heinz College* 2023-2025

Capstone: "Remixing the Music Industry: Strategies for 21st Century Record Labels" - led executive interviews with Position Music, Beatport, and Rostrum Records on label strategy, catalog management, and publishing structures.

B.S., Information Technology, Summa Cum Laude, Honors Program, *Delaware State University* 2019-2023

President's List (3 years), Dean's List, Premier Platinum Scholarship, Apple Propel Scholar.
