Creative coordinator and media operations professional with hands-on experience managing multi-stakeholder content pipelines, tracking deliverables across simultaneous projects, conducting industry research, and supporting executives in fast-paced entertainment environments. Background spans documentary production coordination, podcast production management, talent operations, and music licensing, with a deep personal investment in culturally diverse, globally-inspired storytelling.

EXPERIENCE

Artificial Intelligence Research Fellow, *Handshake* Dec 2025 - Present

- Evaluate audio, visual, and written media outputs against structured rubrics, maintaining consistent accuracy and documentation standards across high-volume content workflows.
- Complete certification training before each new task type, demonstrating fast ramp-up on new systems and evaluation frameworks in a rapidly changing environment.

Talent Management Intern, *Common Thread Entertainment* Jan 2025 - May 2025

- Tracked and coordinated project pipelines across 5+ simultaneous workflows, managing documentation, deliverables, and communications across a distributed team.
- Scouted 137 Hispanic and African American voice-over artists, achieving a 70% acceptance rate; maintained accurate, searchable database records under deadline pressure.
- Conducted demographic and market research, compiling findings into structured reports and presentations used in cross-functional team decisions.
- Coordinated sourcing of corporate conference B-roll, ensuring compliance with usage rights and contributing to smooth content licensing workflows.

Roots & Revelry Production Assistant, *Shades Collective Inc.* Oct 2024 - May 2025

- Coordinated all production logistics for an international documentary podcast, managing schedules, asset workflows, and stakeholder communications across a distributed team with on-location production based in Ghana.
- Built original content production decks from scratch, ensuring alignment between creative vision and delivery constraints across documentary and brand partnership deliverables.
- Secured tech and lifestyle sponsorships by designing custom outreach decks, managing brand communications, and building strategic partnerships with external vendors.
- Oversaw music direction and clearance considerations as podcast music supervisor across 10 episodes, coordinating with international artist teams and rights holders.

Synch & Licensing Intern, *Position Music* Oct 2024 - Dec 2024

- Cataloged 200+ TV, film, trailer, and advertising placements, maintaining accurate records across the full licensing lifecycle to support sync strategy and trend analysis.
- Built and maintained DISCO playlists and metadata systems, demonstrating ability to manage and organize large databases of creative assets.
- Coordinated sync licensing workflows across 10-15 quarterly ad placements, managing documentation and cross-team communications.

Podcast Producer, *Arts Management and Technology Laboratory, CMU* Sep 2023 - May 2024

- Managed end-to-end production pipeline for 16 episodes across two documentary-style series created in partnership with the Frank-Ratchye STUDIO for Creative Inquiry, coordinating pre-production through multi-platform distribution.
- Led solo production of a full episode with documentary filmmaker Roopa Gogineni, handling all production phases from pre-production planning through final delivery.
- Analyzed audience engagement data and produced monthly analytics reports translating performance data into operational recommendations; restructured series format based on findings to improve content discoverability.

EDUCATION

Master of Entertainment Industry Management, *Carnegie Mellon University, Heinz College* 2023-2025

Relevant Courses: Statistical Analysis using R, Applied Economic Analysis, Negotiation, Music Technology, Live Music: Touring Revenue Streams, Multimedia, Script & Story Analysis, Writing for Creative Industries, Writing for Television, Production Management, Film Economics, TV Business and Legal, TV Marketing, Music Monetization, Les Paul: A Journey Through Life and Music, Artist Development, Artificial Intelligence in Media, Entertainment Research, TV Economics, Music Supervision, Business Development, Intellectual Property, Branded Entertainment
