Sync licensing and music supervision professional with hands-on experience in DISCO-based playlist curation, TV/film/trailer placement cataloging, music cue sheet verification, and clearance coordination across documentary and advertising content. Deep, genuine knowledge of music across genres with a strong instinct for matching sound to picture. Equally comfortable in the operational detail of a clearance workflow and in the creative conversation of a sync pitch.

EXPERIENCE

Artificial Intelligence Research Fellow, Handshake Dec 2025 - Present

- Evaluate audio, visual, and written media outputs against structured rubrics, maintaining consistent accuracy and documentation standards across high-volume content workflows.
- Complete certification training before each new task type, demonstrating fast ramp-up on evolving content frameworks and systems.

Talent Management Intern, Common Thread Entertainment Jan 2025 - May 2025

- Coordinated sourcing of corporate conference B-roll, ensuring compliance with usage rights and contributing to smooth content licensing workflows.
- Scouted 137 Hispanic and African American voice-over artists, achieving a 70% acceptance rate; maintained accurate, searchable database records under deadline pressure.
- Conducted demographic and market research, compiling findings into structured reports for cross-functional team decisions.

Roots & Revelry Production Assistant, Shades Collective Inc. Oct 2024 - May 2025

- Oversaw music direction and clearance considerations as podcast music supervisor across 10 episodes, ensuring tone, rights alignment, and budget compatibility with international artist teams.
- Coordinated music clearance directly with international rights holders, managing workflows between creative, legal, and budget stakeholders from pre-production through delivery.
- Pitched and secured music selections against creative and tonal briefs across 10 episodes, demonstrating applied sync supervision instincts in a real production context.

Sync & Licensing Intern, Position Music Oct 2024 - Dec 2024

- Created and categorized 10-20 DISCO playlists aligned with creative briefs and new releases, streamlining music pitching and metadata searchability for sync opportunities.
- Tagged Kings & Creatures tracks with keywords and genre metadata to enhance trailer sync potential and discovery across the catalog.
- Cataloged 200+ TV, film, trailer, and advertising placements across production phases to support sync licensing strategy and trend analysis.
- Monitored and organized 10-15 quarterly ad sync placements, maintaining accurate logs for licensing audits and internal reporting.
- Verified metadata for 50-60 NBC Sports cue sheet entries to ensure accuracy for royalty distribution, performance tracking, and PRO reporting.
- Tracked Position Music artist tour dates to support public performance licensing, sync outreach, and marketing coordination.

Sound Editor Intern, Cinema Sounds & Secrets Podcast Jun 2024 - Sep 2024

- Managed podcast post-production workflows, delivering 100% of episodes on time while maintaining broadcast-quality audio standards.

Podcast Producer, Arts Management and Technology Laboratory, CMU Sep 2023 - May 2024

- Managed end-to-end production pipeline for 16 episodes across two documentary-style series, coordinating pre-production through multi-platform distribution across a distributed team.
- Produced monthly analytics reports translating performance data into operational recommendations for content and scheduling decisions.

EDUCATION & CERTIFICATIONS

Master of Entertainment Industry Management, *Carnegie Mellon University, Heinz College*

Relevant Coursework: Music Supervision, Music Monetization, Intellectual Property, TV Business & Legal Affairs, Negotiation, Film Economics.

Capstone: Remixing the Music Industry: Strategies for 21st-Century Record Labels: Led a strategic analysis of how independent labels adapt to the evolving digital ecosystem.
