Production coordinator with hands-on experience in rights research, music and content clearance, and metadata accuracy across documentary, sports, and digital media deliverables. Background spans sync licensing and cue sheet verification, music supervision for international documentary content, and cross-functional coordination between creative, legal, and budget stakeholders under real deadline and rights constraints.

EXPERIENCE

AI Evaluation & Media Operations Fellow, Handshake Dec 2025 – Present

- Evaluate audio, visual, and written media outputs against structured rubrics, maintaining consistent quality and documentation standards across high-volume content workflows.
- Complete certification training before each new task type, demonstrating fast ramp-up on evolving content and evaluation frameworks.

Talent & Project Operations Intern, Common Thread Entertainment Jan 2025 – May 2025

- Tracked and coordinated project pipelines across 5+ simultaneous workflows, managing documentation, deliverables, and communications across a distributed team.
- Evaluated and cataloged 137 voice-over artists, including Spanish-speaking talent from the US and Hispanic countries, maintaining accurate, searchable records for international casting and localization needs.
- Creative Project Coordinator, Shades Collective Inc. Oct 2024 – May 2025
- Served as music supervisor across 10 episodes of Roots & Revelry, a diaspora documentary podcast filmed on location in Ghana, coordinating music clearance with international artist teams and managing rights workflows between creative, legal, and budget stakeholders.
- Coordinated all production logistics for an international, on-location documentary production, managing schedules, asset workflows, and stakeholder communications.
- Managed budget-conscious resource planning for on-the-ground production needs, tracking costs and sourcing materials within tight budget parameters.

Sync & Metadata Project Intern, Position Music Oct 2024 – Dec 2024

- Verified metadata across 50–60 NBC Sports cue sheet entries per cycle, ensuring accuracy across deliverables for multiple third-party partners.
- Cataloged 200+ TV, film, trailer, and advertising placements, maintaining accurate records across the full production and licensing lifecycle.
- Coordinated sync licensing workflows across 10–15 quarterly ad placements, managing documentation and communications between internal teams and external production partners.

Podcast Producer & Content Strategist, Arts Management & Technology Laboratory, CMU Sep 2023 – May 2024

- Managed the end-to-end production pipeline for 16 episodes across two documentary-style serialized series, coordinating pre-production through multi-platform distribution across a distributed team.
- Led solo production of a full episode with a documentary filmmaker and community storyteller, handling pre-production planning, interview coordination, audio post, and final delivery.

EDUCATION

Master of Entertainment Industry Management, Carnegie Mellon University, Heinz College

Capstone: “Remixing the Music Industry: Strategies for 21st Century Record Labels” — led executive interviews with Position Music, Beatport, and Rostrum Records, producing a full industry report with strategic recommendations.

B.S., Information Technology, Summa Cum Laude, Honors Program, Delaware State University

President’s List (3 years), Dean’s List, Premier Platinum Scholarship, Apple Propel Scholar. Thesis: Speech-Based Emotional Recognition Using Convolutional Neural Networks.
