Music supervision and sync licensing professional with hands-on experience sourcing, pitching, and clearing music for documentary and media productions. Background spans sync catalog management, music cue sheet verification, playlist curation against creative briefs, and cross-functional coordination between creative, legal, and production teams. Deep knowledge of music across genres with a strong ear for matching tone and emotion to picture.

EXPERIENCE

Artificial Intelligence Research Fellow, *Handshake* Dec 2025 - Present

- Evaluate audio, visual, and written media outputs against structured rubrics, maintaining consistent accuracy and documentation standards across high-volume content workflows.

Talent Management Intern, *Common Thread Entertainment* Jan 2025 - May 2025

- Scouted 137 Hispanic and African American voice-over artists, achieving a 70% acceptance rate and strengthening diverse casting pipelines.
- Coordinated sourcing of corporate conference B-roll, ensuring compliance with usage rights and contributing to smooth content licensing workflows.
- Conducted demographic and market research, compiling findings into structured reports for cross-functional team decisions.

Roots & Revelry Production Assistant, *Shades Collective Inc.* Oct 2024 - May 2025

- Oversaw music direction and clearance considerations as podcast music supervisor across 10 episodes of a podcast produced alongside a documentary based in Ghana, ensuring tone, rights alignment, and budget compatibility across all musical selections.
- Sourced and researched music from international artists, matching emotional tone and cultural resonance to documentary content across 10 episodes.
- Coordinated music clearance directly with international artist teams, managing rights workflows between creative, legal, and budget stakeholders.
- Built original content production decks and managed brand partnership communications, demonstrating strong written communication and organizational skills at an executive level.

Synch & Licensing Intern, *Position Music* Oct 2024 - Dec 2024

- Created and categorized 10-20 DISCO playlists aligned with creative briefs and new releases to streamline music pitching and metadata searchability.
- Tagged Kings & Creatures tracks with keywords and genre metadata to enhance trailer sync potential and discovery.
- Cataloged 200+ TV, film, trailer, and advertising placements across production phases to support sync licensing strategy and trend analysis.
- Verified metadata for 50-60 NBC Sports cue sheet entries to ensure accuracy for royalty distribution, performance tracking, and PRO reporting.
- Monitored and organized 10-15 quarterly ad sync placements, maintaining accurate logs for licensing audits and internal reporting.

Sound Editor Intern, *Cinema Sounds & Secrets Podcast* Jun 2024 - Sep 2024

- Managed podcast post-production workflows, delivering 100% of episodes on time while maintaining broadcast-quality audio standards.
- Integrated Chartable analytics with Libsyn, streamlining podcast performance tracking and enhancing visibility into listener engagement.

Podcast Producer, *Arts Management and Technology Laboratory, CMU* Sep 2023 - May 2024

- Managed end-to-end production pipeline for 16 episodes across two documentary-style series, coordinating pre-production through multi-platform distribution.
- Led solo production of a full episode with documentary filmmaker Roopa Gogineni, handling pre-production planning, interview coordination, audio post, and final delivery.

EDUCATION

Master of Entertainment Industry Management, *Carnegie Mellon University, Heinz College* 2023-2025

Coursework: Music Supervision, Music Monetization, Intellectual Property, TV Business & Legal Affairs, Negotiation, Film Economics.

Capstone: Led executive interviews with Position Music, Beatport, and Rostrum Records on sync licensing, catalog management, and publishing structures.

B.S., Information Technology, *Summa Cum Laude, Delaware State University*

2019-2023

President's List (3 years), Dean's List.
